The background features a large, stylized graphic of a hand holding a pencil, composed of various words related to education and learning, such as 'choice', 'collaboration', 'audience', 'process', 'realistic', 'real-to-life', 'together', 'audience', 'driving question', 'presentation', 'entry event', 'assessment', 'cognitive', 'research', 'motivating', 'voice', 'realistic', 'real-to-life', 'together', 'audience', 'driving question', 'presentation', 'entry event', 'assessment', 'cognitive', 'research', 'motivating', 'voice'.

An introduction to Project based learning

A two-hour webinar to learn how to plan with PBL in mind:

- What makes a good project?
- How can we plan?
- How should we include assessment?

FACILITATOR: Silvana Santos
